Dear Mr. Henderson:

As you are aware, on June 22, 1967 this Commission authorized temporary abandonment of captioned well. On January 3, 1968 you advised verbally that this well would be plugged and abandoned. Since that time we have heard nothing further from you.

As you are aware, this Commission must be kept currently informed at all times as to the operations on any well. Will you therefore advise this office as to any operations from June 22, 1967 to its current status. Form 25 is enclosed for your convenience in this reporting.

As you well know, we cannot continue this well for an infinite time in a temporarily abandoned status. Will you also advise us of your immediate plans for this well.

In addition, when this well is plugged and abandoned it is necessary that you file Form 10, Plugging Record, and Form 4, Well Completion Report, together with copies of any logs run, or in lieu of electric logs, a copy of the driller's log.

Your earliest cooperation will be appreciated.

Very truly yours,

John Bannister

Gentlemen:

On the above referenced well, it was my intention to plug the well, however I am now requesting permission for temporary abandonment until further exploration in the area is made and geological evaluation made that could decide our position in this matter.

Sincerely,

C. T. Henderson
